Craft Ranch has put together some of the most elite Longhorn cattle and biggest horned animals in the industry. JAMMIN REX is going to be one of the next history makers from their program. This young bull is sired by the over 92" T2T COWBOY RUFF that is out of the over 105" T2T REX'S RED ROSE. His dam is none other than the nearly 99" T2T TTT JAMMIN' JENNY arguably the most complete cow in the industry who is
