This cow is a show stopper. She has every color under the sun on her and throw some gorgeous offspring. She is the first cow to meet me in the pasture every time. She eats from you hand and is very easy to work. She was on the show circuit when she was younger and did great. This is a front pasture cow that everyone can enjoy. she is a cow that is perfect for new owners and long time breeders. we just love her. She has a calf at side by RC
